PROVIDING DURABILITY FOR YOUR TOUGHEST CUSTOMER

INTERACTIVE PDF BROCHURE

Established in 1930, CEECO is committed to the prison industry where cost and reliability are key factors. CEECO's extensive line of prison visitation phones and prison phones offer reliable communication for prison visitation areas, dormitories, control rooms, sallyports, gate and entryways. CEECO telephones are offered in speakerphone, handset, and combination units with a variety of features from direct connect, tone dial, ring-down, autodial, speed dial, and call restrictions. Installation mounting is available in wall mount, flush mount, open and closed enclosures, weatherproof, and desktop. From turnkey telephone solutions, to kits and parts designed for integration with third-party equipment, to custom engineering, CEECO is committed to providing excellent customer service and products that are built to last! CEECO's vandal resistant, stainless steel telephones include lifetime support and dedicated customer care.
