

LARGE PRISON PHONES

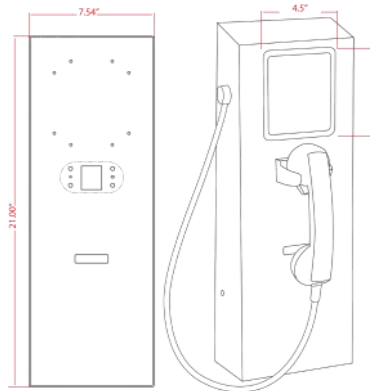

Cost Effective Large Prison Phones Built to Last!

CEEEO's extensive line of prison phones offer reliable communication for prison visitation areas, dormitories, control rooms, sally ports, gate and entryways. The SSC Models are popular in prisons and jails because of their imposing design and impressive durability. These rugged, industrial grade stainless steel construction, large phones come with a variety of features from direct connect, tone dial, ring-down, autodial, speed dial, and call restrictions. All CEEEO telephones carry a one year warranty; however, CEEEO guarantees service for the life of the product!
