

MINI PRISON PHONES

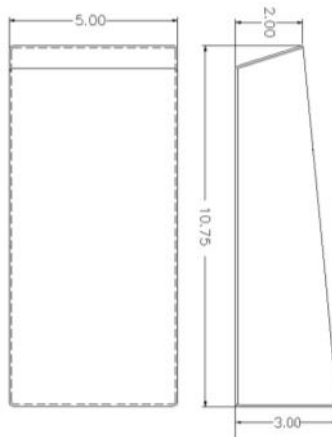

Prison Mini Phones Built to Last!

CEECO's extensive line of prison visitation phones and prison phones offer reliable communication for prison visitation areas, dormitories, control rooms, sallyports, gate and entryways. The SSW Models are offered in speakerphone and handset units with a variety of features from direct connect, tone dial, ring-down, autodial, speed dial, and call restrictions. These models include rugged stainless steel construction, and tamper resistant security screws (Other vandal resistant features are listed below). All CEECO telephones carry a one year warranty; however, CEECO guarantees service for the life of the product!
