

WPP-331-X TELEPHONE

Weatherproof, Vandal Resistant, Rugged Telephones Built to Last

CEECO model WPP-331-X is a Vandal Resistant Weatherproof Telephone equipped with “ring-down” operation or other direct connection via Telco, PBX or other such line. It comes standard with an 18” armored cord handset and marine quality chrome mechanical hookswitch and enclosed in a rugged cast aluminum housing built to withstand adverse weather conditions, as well as indoor environments that need added protection. The telephone panel is constructed of high grade stainless steel to guard against rust and corrosion, as well as electrical components coated for moisture protection. CEECO’s weatherproof telephones are designed to prevent contamination from dust, moisture, solvents and other environmental conditions.

Made in the USA

WPP-331-X	WPP-331-X-M-IVC-G	WPP-331-X-M-R-SP	WPP-331-X-M-IVC-Y	WPP-331-X-ST
The Weatherproof, outdoor vandal resistant, phone, is with a "ring-down" operation or other direct connection via Telco or PBX . It will accept incoming calls but cannot initiate calls on it's own. Only via external automatic dialing equipment, can these telephones initiate a call when the handset is lifted.	This Grey (G) Weatherproof outdoor "ring-down" phone with magnetic hookswitch (M), 18" armored cord handset with steel lanyard, internal volume control and background noise reduction (IVC), is popular in locations such as amusement and outdoor parks, gate and building entries, resorts, and swimming pools.	This Red (R) Weatherproof outdoor "ring-down" phone with magnetic hookswitch (M), and a spring loaded door (SP) designed to help keep door closed while maintaining protection from outdoor environment, is widely used for emergency or for public such as gas stations, oil rigs, parking lots and other critical locations.	This Yellow (Y) Weatherproof outdoor "ring-down" phone with magnetic hookswitch (M), and, internal volume control and background noise reduction (IVC), will accept incoming calls but cannot initiate calls on their own. If, however, external automatic dialing equipment is used, they could initiate a call when the handset is lifted.	This Black Weatherproof outdoor "ring-down" , vandal resistant, stainless steel telephone with 18" armored cord handset in a Black pin latch cast aluminum housing with a blue Strobe light (ST) is designed to flash when phone is ringing. Excellent for critical areas where it is busy and noisy.
