

DIRECT CONNECT & PRISON PHONES

350 STAINLESS STEEL PANEL TELEPHONES

CEEEO's extensive line of prison visitation phones offer reliable communication for prison visitation areas, dormitories, control rooms, sallyports, gates and entryways. The SSP-350 telephone is constructed of stainless steel, equipped with a 32" armored cord handset, and mounted in standard 4" gang box, double gang or double gang wall mount. Units are available with stationary cradle or operable sealed hookswitch. All CEEEO telephones carry a one year warranty; however, CEEEO guarantees service for the life of the product!
