

# MHW(D)-341 SERIES

## Stainless Steel, Vandal Resistant, Rugged Telephones Built to Last

The CEECO MHW/MHD Series telephones are specifically designed for high vandalism and use in areas subject to fraud and abuse, plus corrosion and pollutants that may be airborne. The unit is completely sealed and constructed of rugged stainless steel. The MHW/MHD Series are equipped with a built in magnetic hookswitch, volume control button with background noise reduction, marine quality chrome keypad (F model), armored cord handset, and tamper resistant security screws. CEECO's MHW/MHD models are an excellent choice for your toughest customers!
